Patients agree that fees will be paid at the time services are rendered. Any service not paid for at the time of service will be billed at usual and customary fees. Plan fees are valid only when paid at the time of enrollment. This is not an insurance product.

There are many people who do not have dental insurance. At Inspire Dentistry of the Carolinas, we want to ensure that we can help all of our patients by making dentistry more affordable and simple.

This is NOT an insurance policy. Our in-house discount plan is a great value with an emphasis on preventative care and offers discounts on various services for a low annual fee.

Ultimately patients will save money and more importantly, have better oral health by having consistent dental care. We welcome you to join our dental family!
